

October 2013

Hello Dear January JOB

It is with great pleasure that my parents and I received your letter, card and T-shirt. We thank you sincerely. We are all in good health and we wish you the same. I'm in the 7th grade. Every morning before beginning course we participate to the flag rise. I send you my photo at school as you asked. We celebrated Tabaski. My father killed a sheep for this feast and we have good eaten. We are at the beginning of harvest. Some trees are losing their leaves. I play foot ball with my friends. I and my parent greet you wishing to read you soon.

Thanks!
