Dear Parents

Our Howay Helping Hands Global fundraiser is beginning this week! We hope the students have been sharing about this upcoming event. Our global stewardship program is ongoing year long as the students are introduced to the needs of others around the world. We will be raising money for clean water and sanitation for an African country (students will be voting on this next week) and we are partnering once again with Free the Children. (<https://www.we.org/we-schools/program/campaigns/we-are-rafikis/>)

This year our global fundraiser involves purchasing unique Rafiki (“friend” in Swahili) bracelets made by Masaai Mamas in Kenya, Africa. This year the bracelets are **unique** because they have been made especially for Canadians celebrating **Canada's150** years since Confederation. There are two We Are Canada Rafiki bracelets to choose from as shown below on the order form. (<https://shop.metowe.com/us/we-are-canada/>). They are \$10 each with \$5 from each bracelet going to the Masaai Mamas to empower and support their income independence. The other \$5 from each bracelet will go towards **clean water and sanitation** to a village in an African country as we have learned that worldwide there **are 663 million people relying on unimproved sources, including 159 million dependent on surface water** (<http://www.who.int/mediacentre/factsheets/fs391/en/>)

We had a successful local fundraiser with collecting winter clothing for the homeless in New Westminster (Lookout Society) and look forward to great success with our current global fundraiser.

Please fill out the form below, along with your payment (**exact cash only please no change provided**) to your classroom teacher in a **labelled envelope or baggie**. If you will be writing a cheque it can be made out to F.W. Howay.

Please feel free to contact Mrs. Dupuis if you have any questions.

Sincerely

Janet Dupuis
