Family Portal Information and Instructions

6. Clicking on the **Family** top tab you'll end up on a screen with these choices on the left side

- The **Details** screen, shows your student's demographic information, please insure that it's correct.
- The **Contacts** side tab should have the correct demographic information for your family and emergency contacts. Please contact the school immediately regarding any errors.
- The **Transcript** side tab will allow you to monitor your child's learning progress in each course, and as they progress through their K-12 education.
- The **Assessments** side tab will show results of any standardized assessments your child may have taken (e.g. FSA results)
- The **Schedule** side tab allows you to check which courses your child has been scheduled into. This is particularly useful in high school before the start of the school year.
- The **Membership** side tab shows information about student enrollment and student programs.
- The **Documents** side tab is where the teacher, or the school, can store any scanned documentation pertaining to your child's education.

7. Under the **Academics** top tab you'll see the following.

- This is a list of all classes that a student is *currently* enrolled in.
- Due to the way attendance is tracked in our district, attendance data is also found on this screen
- Clicking into any course, the **Assignments** side tab allows you to see information about student achievement on any given assignment

Please take the time to log in and browse our new student information system. It is going to be a powerful tool to communicate student learning as we continue to strive for excellence in SD40.
