

# FW Howay PAC presents

Dear Howay families,

We are excited to bring you our Spring plant Fun-raiser. We have a wonderful easy goal of raising \$400 this year. This works out to about 1 plant per family in the school. Please reach out to friends, family and coworkers to offer them gorgeous, long-lasting plants for a great price. This fun-raising initiative helps us support our Grade 5 Grads and other school-based costs, saving parents from paying out of pocket for small items through the year. The website is open for shopping now! Order Online

No paper forms will be handed out. Please print one out if needed.

Please go to: <https://fwhowayschool.growingsmilesfundraising.com/home>

You can pay with Credit card directly online! Other payments options are available. See above website link for more information.

Last day to order online: March 30, 2021

Plant delivery: April 15, 2021 (afterschool pick up time TBC, but the plan is pick up at the Multi-purpose room between 2:30-3:15pm)

Please follow us on FB: FW Howay PAC, Instagram: @fwhowaypac

We thank you for your participation,

Howay PAC
