Ms. S. Phelan, Principal

On Monday October 24 our school will be participating in DEAR (Drop Everything and Read). It is a time for the whole school to celebrate our love of literacy by silent reading in our classrooms after lunch from 1:15-1:30pm. In addition to this school wide event, students are asked to bring their all time favourite book to share with their class on this day. (It could be a book they have owned for a long time or a recent favorite). Teachers and staff will be bringing their favourite book to share as well.
